PARENT / GUARDIAN MEDIA CONSENT FORM

From time to time the local media and other agencies will request the opportunity to visit Yukon Schools to report on events and projects involving students. Student privacy is important, and the department is obligated to ensure that no personal information is released without the written consent of the parent. This consent form must be signed by a parent/guardian prior to any child being interviewed, photographed and/or filmed by the local media, government agency or any other agency. The school is required to comply with the *Access to Information and Protection of Privacy Act, and the Agency in the Schools Policy, Department of Education.*

Please Note:

1. Signature of parent/guardian is required before any student can be interviewed, photographed and/or filmed at school.
2. No student will be interviewed, photographed and/or filmed if they are uncomfortable with this, even if a parent/guardian has given consent.
3. Visits from the local media will be managed in such a way so as not to be disruptive to students and their studies.
